* In West Coast Swing many valuable things happen "inside the couple" and are difficult to be spotted from the outside. So, **if you don't feel comfortable with regular audition we would like to give you the opportunity to dance with Aggi and Marcin** and they will decide if you can go level up. You will have one hour to do it but please be in the **DUNGEON at 22:00** sharp so Aggi and Marcin would know how much time they have for one person. Please have in mind that if a lot of people show up, Marcin and Aggi won't have time to dance with everyone so if you don't mind regular auditions **we ancourage you to audition at 15:15 on Friday or 10:00 on Saturday**.
